REPORT NARRATIVE

SYNOPSIS:

Alice Holt was arrested in May of 2017 for narcotic related issues. Holt was bailed out of custody and is still waiting for her trial date to commence. (See #SCN372966 in Vista Courts)

On 02-20-2018, Alice Holt maintained an open communication with her 17 year old son (b)(5)(B) This allowed her to sneak onto the property of her parents at (b)(5)(A) . (b)(5)(B) and (b)(5)(B) are the registered owner of the 2001 Ford Focus California license (b)(5)(B) which Alice Holt took without permission.

At approximately 1600 hrs. (b)(5)(B) (b)(5)(B) and (b)(5)(B) returned to the (b)(5)(A) . address and discovered the vehicle missing. (b)(5)(B) walked into the house and noticed the keys were not on the hook inside the house. Neither (b)(5)(B) nor (b)(5)(B) gave permission to Alice Holt enter the house or take the vehicle.

(b)(5)(B) mentioned he questioned his grandson (b)(5)(B) , who called his mother Alice Holt and learned she had the vehicle. I asked (b)(5)(B) and (b)(5)(B) if they were willing to testify and prosecute Alice Holt for the crimes she has committed against them and they both said "Yes."

I interviewed (b)(5)(B) who was not entirely truthful with me or his parents on this date. (b)(5)(B) mentioned he knew nothing about his mother coming onto the property to use the vehicle.

On 02-20-2018 at approximately 2100 hrs. I received a call from (b)(5)(B) At the direction of Alice Holt, (b)(5)(B) was to tell me he gave his mother Alice Holt permission to use the vehicle. I asked (b)(5)(B) (b)(5)(B) if he was the registered owner of the vehicle and his reply was "No."

On 02-23-2018 I conducted a follow up interview with (b)(5)(B) (b)(5)(B) and (b)(5)(B) Once again (b)(5)(B) and (b)(5)(B) mentioned their willingness to prosecute Alice Holt for the entering into the house, taking the vehicle without permission.

Later in the day, I received information Alice Holt was going between several trailers in the Lake Henshaw RV Park with her boyfriend (b)(5)(B) Deputy Logan sat in an unmarked vehicle and witnessed Terrance Rarden exit trailer number (b)(5)(A) and do something at trailer (b)(5)(A)

Alice Holt was later seen running from trailer (b)(5)(A) and attempted to hide in the laundry room at the trailer park. According to Deputy Logan's statement, Alice Holt bolted toward her and pushed Deputy Logan out of the way to further evades being arrested. A short foot pursuit ensued and Alice Holt was taken into custody, secured in handcuffs and advised she was arrested. Deputy Wagner transported Alice Holt to the Ranchita Sheriff's office for processing.

Next Deputy Logan and I attempted to contact a suspect of a different case out of Escondido. (#1802266) Deputy Logan developed corroborating information that (b)(5)(B) (Alice Holt's accomplice from Court Case #SCN372966 and boyfriend) was seen in a stolen vehicle around the rural area.

Deputies Logan, Anderson and I immediately went to trailer (b)(5)(A) in an attempt to contact (b)(5)(B). I knocked on the side of the trailer very hard and made the notification I was a Sheriff' Deputy and wanted (b)(5)(B) to step out. Not receiving a response and hearing movement inside the trailer I opened the door and made one more announcement before entry was made. The trailer was cleared and (b)(5)(B) was located in the bathroom behind a locked door.

Next I heard Deputy Wagner announce over the radio, Alice Holt had slipped her handcuffs and was currently escaping across S-2 and into an olive grove. Alice Holt was later recaptured after sustaining injury as a result of the K-9 contact. Alice Holt was then transported to Palomar where she was admitted pending release and booking into Vista Jail for the following charges.

1) 459 P.C. Burglary of a residence
2) 10851(A) C.V.C. Stolen vehicle
3) 496 (A)(1) P.C. Possession of stolen property
4) 12022.1(a) P.C. felony committed while out on bail pending court cast
5) 272 (a) (1) P.C. Contributing to delinquency of a minor
6) 836.6 (b) P.C. Any person lawfully arrested escapes or attempts to escape

BWC was on during most of the interviews and attached to the report.

ORIGIN:

On 02-20-2018 at approximately 1600 hrs. I received a call from (b)(5)(B) and (b)(5)(B) regarding their vehicle being taken without permission. The address was (b)(5)(A) Montezuma Valley Rd. in Ranchita CA.

BACKGROUND

Alice Holt and (b)(5)(B) were arrested in May 2017 by Deputy Logan and myself. They both subsequently posted bail for the arrest and were released. (b)(5)(C) (b)(5)(C) (#SCN372966)

Since this time, Holt has had two additional arrests, in various parts of the county (b)(5)(C) (b)(5)(C) The May 2017 case, #SCN372966 has been continued several times and we are still waiting for the upcoming trial date of 04-10-2018.

INVESTIGATION:

Upon receiving this call on 02-20-2018, I drove to the (b)(5)(B) property and spoke with (b)(5)(B). (b)(5)(B) (b)(5)(B) made the following statement.

STATEMENT OF VICTIM: (b)(5)(B)

(b)(5)(B) essentially said this morning at approximately 0930 hrs. (b)(5)(B) his wife, and he took his grandson (b)(5)(B) to the Department of Motor Vehicles in Temecula.

(b)(5)(B) said returning home at approximately 1600 hrs. He noticed the 2001 Ford Focus California license #(b)(5)(B) gone from in front of the trailer they are living in. (b)(5)(B) said the vehicle was locked and no one had permission to use or take the vehicle. (b)(5)(B) noticed the keys from inside the house were also missing from the hook.

(b)(5)(B) said he questioned (b)(5)(B) about whether he knew who had taken the vehicle. According to (b)(5)(B), (b)(5)(B) called his mother Alice Holt and learned she did come to the property, enter into the house, grab the keys, and take the vehicle without permission.

(b)(5)(B) said he is willing to prosecute because Alice Holt has not lived on the property for years. (b)(5)(B) said Alice Holt is always in trouble with the law and is not allowed on the property According to (b)(5)(B) and (b)(5)(B) there is a civil court order giving them child custody of Alice Holts children because she has a criminal history of narcotic use and being arrested. (b)(5)(B) had a copy of the court order and it can be provided if needed. According to (b)(5)(B), her daughter Alice Holt is aware she is not to be on the property without permission from the parents and if so the visit is supervised.

INVESTIGATION CONT:

I next spoke with (b)(5)(B) who made the following comment. This interview was recorded on the BWC.

STATEMENT OF WITNESS: (b)(5)(B).

(b)(5)(B) mentioned he spoke to his mother Alice Holt this morning at approximately 0930 hrs. (b)(5)(B) said Alice Holt called him and started asking questions about what he was doing today. When (b)(5)(B) (b)(5)(B) told his mother Alice Holt the grandparents were taking him to Department of Motor Vehicle to test for his driver's permit. (b)(5)(B) then mentioned his mother Alice Holt asked if everyone was going to the DMV with him. (b)(5)(B) did not mention this contact to his grandparents.

Returning home, (b)(5)(B) said his grandfather (b)(5)(B) asked him if he knew who had taken the vehicle from the property. According to (b)(5)(B), he called his mother and learned she was in possession of the vehicle. (b)(5)(B) said his mother Alice Holt claims she needed the vehicle to go to a Doctors' appointment.

According to (b)(5)(B) Alice Holt did not want to talk to her parents and relayed everything through him. (b)(5)(B) also mentioned his mother Alice Holt told him the vehicle did have a flat and she was attempting to get it fixed. (b)(5)(B) said Alice Holt said she was in Escondido and would try to return the vehicle.

INVESTIGATION CONT:

After talking with (b)(5)(B) I spoke again to (b)(5)(B) and confirmed he and his wife (b)(5)(B) were still willing to report their vehicle as stolen and their adult daughter Alice Holt is the suspect. (b)(5)(B) said Alice Holt did not have permission or ever have permission to take or borrow their vehicles.

At approximately 2100 hrs. (b)(5)(B) called me and recanted his earlier statement. (b)(5)(B) said "I do believe I told my mother to go ahead and use the car." I asked (b)(5)(B) if he was the registered owner of the vehicle and whether he had the right to allow his mother to use the vehicle. (b)(5)(B) said "No."

I then asked (b)(5)(B) if he had spoken to his grandparents about the statement and he mentioned "No" I asked (b)(5)(B) if he has been in communication with his mother and he said "No." At this point, I concluded my conversation with (b)(5)(B).

On 02-23-2018 at approximately 0900 hrs. I arrived at the Warner Springs School and spoke to (b)(5)(B) (b)(5)(B) and (b)(5)(B) in the Cafeteria. (b)(5)(B) mentioned he had no knowledge of what his mother was doing or why she took the vehicle without permission. (b)(5)(B) did mention he was partly untruthful with me the other night about his mother first talking to him. (b)(5)(B) volunteered and showed me a set of text message sent to him from his mother. These messages were copied and placed into URL of this report.

The messages essentially asked if (b)(5)(B) contacted me (Deputy Dvorak) and informed me about (b)(5)(B) giving permission to his mother to take the vehicle. Further conversation shows Alice Holt

telling her son where she has parked the vehicle and left it for the parents to recover. Prior to completing this interview with (b)(5)(B), I asked (b)(5)(B) and (b)(5)(B) if they were still willing to prosecute when Alice Holt was located. I was told "Yes."

After completing this contact with the (b)(5)(B) I was informed by Deputy Logan she received information of another stolen vehicle which was parked behind trailer (b)(5)(A) at 26439 ST. RT. 76 in Santa Ysabel. (Lake Henshaw Resort)

Trailer (b)(5)(A) an (b)(5)(A) known trailers which have three axles and six tires commonly referred to as older manufactured homes. Alice Holt and (b)(5)(B) spend most of the time between these two trailers and are not on the rental agreement with management.

Deputy Logan said the vehicle with California license (b)(5)(B) is a black Audi which was taken at approximately the same time frame as Alice Holt was dropping off the first stolen vehicle from her parents. The distance between where Alice Holt parked her parent's car is approximately one mile apart.

Deputy Logan through her investigation developed reliable information that a (b)(5)(B) was seen driving the stolen vehicle in the morning hours of 02-22-2018. This information was corroborated by several witnesses and videos from a gas station in the general area were recovered (See SDSD Case Number (b)(5)(B) for details).

At approximately 1300 hrs. Deputy Logan was sitting in an unmarked vehicle in the Lake Henshaw Trailer Park. Deputy Logan advised me via phone and radio she had a clear view of trailers (b)(5) and (b)(5)(B) which both Alice Holt and (b)(5)(B) frequent. I was told by Deputy Logan she had seen (b)(5)(B) walking between these two trailers. Deputy Logan mentioned she did not see Alice Holt.

At this time, I attempted several calls into Alice Holt's cellular phone. Not picking up, I then texted messaged her. "We know where you are. Make easy on you and (b)(5)(B) give up"

Within five minutes, Deputy Logan advised me she saw Alice Holt come out of trailer (b)(5) and appeared to be running. At this time, I rolled into the trailer park and attempted to apprehend Alice Holt. I could hear Deputy Logan yelling at Holt to give up. The next thing I knew Deputy Logan mentioned Alice Holt pushed past her and was running north through the trailer park. Deputy Logan handed me a note pad and cell phone. I was told these were left behind inside a laundry area which Alice Holt had just fled from. I noticed the phone was on and unlocked. The screen showed me a texting conversation between Alice Holt and her son (b)(5)(B). The conversation was not read entirely but there was enough to show (b)(5)(B) (b)(5)(B) did help his mother by telling her when (b)(5)(B) and the grandparents were returning home from the DMV. The text messages lead me to believe (b)(5)(B) was acting as an accomplice with Alice as she committed the burglary and theft of the vehicle. A search warrant is being completed to recover any and all texting messages between Alice Holt and her son (b)(5)(B).

A search of the camping area proved negative for Alice Holt. I suggested we contact the occupants in trailer (b)(5)(A since we had information Alice Holt also associated with the people there.

Deputy Logan went to the door of trailer (b)(5)(A and was informed Alice Holt bolted into the trailer without permission and is hiding in the back room. Deputy Logan arrested Alice Holt without incident and I took custody of her. I then had Deputy Wagner transport Alice Holt to the Ranchita Sheriff's Office for processing.

I went to traile (b)(5)(and attempted to contact (b)(5)(B) . Deputy Logan's said she saw (b)(5)(B) walking from trailer number (b)(5)(A to (b)(5)(Deputy Anderson and I approached the front of the trailer. I knocked on the trailer numerous times with force and verbally telling the individuals inside the Sheriff's Department is outside and wanting (b)(5)(B) to come out.

Hearing movement inside the trailer and not getting a response, I walked up to the door of the trailer and noticed it was locked. I knew (b)(5)(B) was inside the trailer and was refusing to come out. I believed there was probable cause to arrest him for possession of stolen property and this situation constituted a "fresh pursuit" scenario. I forced open the door with a flat head shovel using minimal force. Once inside the trailer Deputy Anderson and I cleared the living room and started down the hallway. I saw two door closed and locked across from each other. I knocked on one door and announced Sheriff's Deputy without any response. I forced open this door and noticed two individuals later identified as (b)(5)(B) (b)(5)(B) and (b)(5)(B) lying on the bed. I asked these two individuals why they did not hear my knocking on the exterior of the trailer and while outside the bedroom door. I was told "We were asleep and did not hear you."

I then asked about the whereabouts of (b)(5)(B) Both (b)(5)(B) and (b)(5)(B) pointed to the other closed and locked door. (b)(5)(B) refused to open the door and this was forced open to take custody of him. See Deputy Logan case of a 10851 (A) C.V.C. auto theft and 496 P.C. possession of stolen case (b)(5)(B) or details.

While walking (b)(5)(B) out to my patrol unit, I heard Deputy Wagner advice over the radio Alice Holt had escaped from him which he was walking her into the Ranchita Office. After a lengthy search with Sheriff's ASTREA helicopter and K-9 assets, Alice Holt was taken into custody approximately 300 yards from the station. Alice Holt sustained injuries to her upper torso from contact with the canine. She was later transported to Palomar Hospital to be treated for her injuries.

See Deputy Wagner's report for follow up on the escape of Alice Holt.

REPORT NARRATIVE

Origin:
On 02-23-18, I assisted with the apprehension of two suspects of a stolen vehicle located at 26439 Highway 76, Santa Ysabel, CA 92070, CAD # E4779229.

Deputy's Observations and Actions:
I was briefed by Deputy Dvorak about a stolen vehicle report he took on Tuesday 02-20-18. The suspects who took the vehicle are known to have drugs and extensive criminal histories. Alice Holt (b)(5)(A) s the primary suspect who took the vehicle and also committed a burglary by entering into her parents residence wthout permission. Holt removed keys from the house and took their vehicle without permission.

On 02-23-18 at about 1358, hours Deputy Dvorak was able to locate Holt at the above location. I met with Deputy Dvorak and he placed her in the back of my patrol vehicle. Holt's hands were handcuffed behind her back. Any person in Holt's situation would know, or by the exercise of reasonable care should have known, that he or she has been so arrested.

I then transported Holt to the Ranchita Sheriff's station to be processed for paper work. At the station I opened up the vehicle door so Holt could slide out of the car. Her hands were behind her back the entire time. When I walked up to the station door I had Holt stand next to me on the step against the railing to the left as you face the door. I was next to the door so I could unlock it with my key. While I was attempting to put the key into the key slot, Holt quickly took off running toward the road. At this time is when I noticed she had removed one of the cuffs from her wrist.

I gave a short pursuit to the driveway for about 20 to 30 yards. Realizing it would be easier to pursue her in my vehicle; I returned to my patrol vehicle and drove after Holt. This is when I saw Holt jump a barb wire fence across from the station and run into a field in a northern direction. I pulled my vehicle up to the fence and attempted to cross the barb wire fence, but believing my equipment would get caught in the barb wire I was unable to cross. I saw Holt take off a red scarf that was wrapped around her head and drop it into the field and continue running north.

Reporting Officer	Division / Organization	Reviewed By
SH0517 - WAGNER, PETER	**RUR_RAN_BS / RURAL - Rural Enforcement**	**SH2267 - JENKINS, BRIAN**
Report Date **2/23/2018 6:23:59 PM**	Detective Assigned **DVORAK, ANDREW**	Reviewed Date **2/28/2018 7:44:38 AM**

I was able to find a weak point in the fence about ten yards away, past a tree. This is when I lost sight of Holt. I ran up to where she had left the scarf and collected it. I looked around for her and could not see her. At this point I returned to my vehicle and waited for additional units. To the east of where I last saw Holt was an open field. There were sporadic heavy scrubs and vegetation to her west and there were hills to the north of where she was.

At this point, due to Holt's surroundings, I felt Holt could not have gone far without me being able to see her accept in the heavy vegetation. Once additional law enforcement arrived we set up a perimeter. Sheriff's ASTREA helicopter unit flew above the area and could not locate her. They advised that the most probable location of Holt was in the heavy vegetation. I specifically heard ASTREA do numerous PA announcements advising Holt to surrender and if not a Sheriff's K-9 was enroute.

Shortly after ASTREA had left for fuel, a Sheriff's K9 unit arrived. The Sheriff K9 unit conducted an area search and was able to locate Holt and take her into custody. Holt was transported to a hospital where she received medical attention for contact with the Sheriff's K9 unit.

I had not further contact with Holt.

REPORT NARRATIVE

ORIGIN:

On 02-23-2018, at approximately 1445 hours, Deputy Weiss #4085 and I responded to a radio call of a subject who had been arrested for 10851(a) CVC, 459(A) PC, and 496(D) PC. The subject, later identified as Alice Holt (b)(5)(A)), ran from Deputies after being arrested for the aforementioned charges. Holt had slipped her right wrist from her handcuffs and fled into the bushes near the Ranchita Sheriff's Patrol Station, located at 25704 San Felipe Road in the unincorporated area of Ranchita and county of San Diego. (CAD# E4779229)

There is body worn camera video for this case.

DEPUTY'S OBSERVATIONS AND ACTIONS:

Prior to my arrival, ASTREA had given multiple announcements for Holt to give up. Deputy Weiss and I arrived on scene. I observed Deputy Anderson #3054 parked on San Felipe Road in front of the station. I contacted Deputy Anderson, who advised Deputy Wagner #0517 was parked on the open property across the street from the station. I contacted Deputy Wagner, who advised me Holt was arrested for 10851(a) PC, 459(a) PC, and 496(D) PC.

Deputy Wagner advised Deputy Dvorak #1681 was the arresting Deputy, but Deputy Wagner had transported Holt to the Ranchita Station. While at the Ranchita Station, Holt had fled from Deputy Wagner after removing her right hand from her handcuffs. See Deputy Wagner's Deputy Report for details.

Holt had fled from Deputy Wagner at approximately 1358 hours. Deputy Weiss and I arrived on scene at approximately 1520 hours. Holt had approximately one hour and twenty minutes of time to flee or possibly arm herself prior to my arrival. The terrain Holt had fled into was rolling hills with dense brush. Ranchita is very rural and temperatures become very cold at night in the wintertime. Based on my training and experience, I know if a person is outside at night in the cold temperatures, the person may succumb to hypothermia. The primary function of a law enforcement canine is a locating tool which would assist in locating Holt.

Report Date **2/23/2018 8:58:44 PM**	Detective Assigned **DVORAK, ANDREW**	Reviewed Date **2/28/2018 7:44:44 AM**

Based on my training and experience, people who are involved in felony crimes will often fight with law enforcement when facing apprehension. Holt had over an hour to hide from law enforcement and potentially arm herself. Because she had fled after being arrested, I believed she would fight with deputies in order to not be taken into custody. Based on this, I decided to use my canine partner, Vigo, to search for Holt. By using my canine partner, I would lower the chances of injury to myself or other deputies.

I felt, based on the circumstance, the use of Vigo would provide deputies with a safe and effective search tool. Also, due to the dense brush in the area, it was hard to see if anyone was hiding in the bushes. A canine can more easily and more quickly find a person hiding in the bush. Due to the time of day, and with nightfall quickly approaching, I believed if I had not used Vigo, deputies might not have found Holt before nightfall. I believed if Holt had stayed in the area overnight, she could have succumbed to hypothermia.

I parked my patrol vehicle in the far east side of a grove to the northeast of the Ranchita Patrol station. I faced my patrol vehicle to the east. Deputy Weiss was with me. I utilized my vehicle's PA system and conducted two canine announcements. I advised Holt to come out or I would send my canine and he would find her and would bite her. I then got Vigo from the rear of my patrol vehicle. Due to the thick brush in the area, I decided to keep Vigo on a 30 foot lead to I would not lose sight of him.

Once Vigo was out of the vehicle, I then gave another canine announcement without the PA system. I then gave Vigo the search command. The wind was blowing from the west to the east. Deputy Weiss and I started the search of the area from west to east. I advised Deputy Weiss we needed to get down wind of the area Holt was seen running to. Due to the large area Holt could have travelled, Deputy Weiss and I searched eastbound for about a mile. At this point, Vigo was showing signs of fatigue so I turned northbound and decided to head back towards my patrol vehicle by circling back. By circling back, the wind would be blowing in our face and any scent would more easily be picked up by Vigo.

While searching the area, I gave multiple canine announcements to Holt. Once Deputy Weiss and I had reached a shed to the north of the patrol station, I faced south down the hill and gave another canine announcement. I continued to search with Vigo down the hill. While heading down the hill, I noticed Vigo start to run, which was a noticeable change in behavior. Based on my training and experience, I noticed the change of behavior was an indication on human odor, which he has been trained to detect. I followed Vigo to a large bush. Vigo entered the bush and I saw a pink colored shirt through the bush. Holt was last seen wearing a pink colored shirt. I had already provided multiple announcements to Holt by this point.

I could not see Holt's arms or hands. Based on the aforementioned circumstances of Holt's charges and possible harm to deputies, and possibly being armed with handcuffs to be used as a weapon, I deployed Vigo onto Holt. I feared if I did not deploy Vigo onto Holt, she would have attempted to flee the area or fight with deputies. By deploying Vigo on Holt, it prevented her from fleeing from, or fighting with deputies. People who have been charged with felonies that flee from custody can pose a danger to the public. People who flee from law enforcement will often use violence on other citizens in order to avoid apprehension.

Once Vigo had bit Holt, I could not see inside the bush. I called for Holt to crawl out of the bush. Holt crawled out of the bush. Once out of the bush, I could see Vigo biting Holt on her upper left arm and shoulder area. I told Holt to lay on her stomach and put her hands behind her back. Deputy Weiss gained control of one of Holt's arms. I physically removed Vigo from the bite once Deputy Weiss gained control. Vigo contacted Holt for 26 seconds. No other force was needed to take Holt into custody.

I returned to my patrol vehicle and placed Vigo in the back. I advised dispatch to notify the on duty Canine Sergeant of the canine contact. I then notified dispatch to start paramedics to the scene.

Deputy Weiss, along with other deputies, detained Holt and transported her to the Ranchita patrol Station to await paramedic arrival. Valley Center Medic #M52 arrived on scene and conducted an evaluation of Holt. Paramedics advised Palomar hospital was too far for them to transport and requested a helicopter transport to Palomar Hospital.

Deputy Weiss remained at the Ranchita Station in order to complete processing. See Deputy Weiss' Deputy Report for further details.

I went to Palomar Hospital. Sergeant Pavlenko #0760 arrived at Palomar Hospital and conducted and interview of Holt. Sergeant Pavlenko also took canine contact photographs of Holt. The photographs and interview were later placed into evidence on a CD. Holt sustained multiple punctures to her left arm as a result of the contact.

Holt was admitted to the hospital for the canine contact. Deputy Weiss relieved me from the hospital and waited with Holt. I concluded my involvement in the investigation at this time.

I reviewed my body worn camera footage prior to writing this report.

REPORT NARRATIVE

Origin:

On 02/23/2018, at about 1445 hours, Deputy Neufeld (0033) and I assisted the Ranchita Sheriff's Station Deputies with an apprehension of auto theft suspect that escaped from their custody at 25704 San Felipe Road in the unincorporated area of Ranchita and in the county of San Diego (CAD # E4779229).

The subject was identified as Alice Holt (b)(5)(A). I recorded the incident with a body worn camera.

Deputy's Actions and Observations:

On the above date and time, I was assigned to work patrol in Valley Center. I was wearing a full Sheriff's uniform, a body worn camera and driving a marked Sheriff's patrol vehicle. At approximately 1445 hours, Deputy Neufeld and I were dispatched a radio call to assist the Rural Deputies with auto theft suspect that had escaped from their custody. I recorded the incident with my body worn camera.

Deputy Neufeld and I responded to the location "Code 3" with our lights and sirens on. We arrived at about 1520 hours and contacted Deputy Wagner (0517). We were advised the suspect, identified as Alice Holt had slipped her handcuffs from the station and fled eastbound on foot towards the mountains. A containment perimeter had been set and ASTREA (Sheriff's Helicopter) searched the area for Holt. ASTREA was unsuccessful at locating her. Multiple PA announcements were given to Holt to give up.

The area were Holt fled was in a mountainous terrain with dense brush. The temperature was approximately 45 degrees. Holt was seen barefoot and wearing a multicolored shirt, blue jeans and of handcuffs on one of her wrists. Sunset was approximately 1741 hours.

Based on my training and experience, fleeing felons are extremely dangerous, unpredictable and known to carry weapons. They often fight with law enforcement in order to evade apprehension. I was a little nervous because of the environment we were in. There were a lot of hiding places that gave Holt the tactical advantage to our location. If she was armed she could have easily ambushed us. Based on the terrain and severity of the crime, Deputy Neufeld decided to use his canine partner Vigo to assist us with the search.

Deputy Neufeld gave several canine announcements to Holt verbally and from his patrol vehicle. Deputy Neufeld warned Holt if his dog found her, he would bite her. Deputy Neufeld and I started our search initially went eastward and in the same direction the wind was blowing. We eventually went northbound and then back towards the Ranchita Sheriff's Station. Vigo found Holt hiding underneath a large bush and bit her.

Holt crawled from underneath the bush while Vigo was biting her on left arm and shoulder area. Holt resisted and tried to fight with Vigo. I gave her commands to crawl out and put her hands behind her back. I informed her if she continued to resist, Vigo would continue to bite her. Once Holt stopped resisting, Vigo released his bite. I attempted to handcuff Holt but noticed her blouse was completely twisted around her injured arm and shoulder. Deputy Wagner's handcuffs were also on Holt's left wrist. I removed the handcuffs and Holt became compliant.

I called for medics and escorted Holt to Deputy Wagner's patrol vehicle. She was later transported to the Ranchita Sheriff's Station where she was treated by the Fire Department. The decision was made by the medics to transport her to Palomar Medical Facility by a helicopter. Deputy Neufeld went to hospital to meet with Holt.

Later that evening, I went to Palomar Medical Facility and relieved Deputy Neufeld. Holt was admitted into the hospital for the canine contact. I was later relieved by Deputy Luther (6633).

I returned to the Valley Center Sheriff's Station and downloaded my body camera footage into Valley Center Evidence.

This concluded my involvement in this incident.

SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
MEMORANDUM

DATE: 03/07/18

TO: Darrell Strohl, Lieutenant

FROM: Jacob Pavlenko, Sergeant

SUBJECT: Review of CN# 18109589

CONFIDENTIAL:

On 02-23-18 at about 1445 hours, Deputy Neufeld and his canine partner, Vigo, responded to assist Rural units with searching for an escaped arrestee, Alice Holt ([redacted] (b)(5)(A), near the Ranchita substation.

Rural units had been involved in a foot pursuit of Holt earlier in the shift after attempting to arrest her for vehicle theft, possession of stolen property, and residential burglary. Holt was apprehended and placed under arrest after the foot pursuit. At some point during her transport to the Ranchita substation, Holt was able to free one arm from her handcuffs. As she was being escorted to the station from the patrol vehicle she fled on foot into the vegetation near the substation.

Deputy Neufeld and Vigo arrived and conducted an on-lead area search for Holt. Vigo eventually located and bit Holt while she was hiding in a bush. Holt was taken into custody again and transported to Palomar Hospital for treatment of her injuries.

REVIEW:

On 02-23-18, at about 1730 hours, I was monitoring the radio communications related to the event. I heard the advisement of a canine contact and was told Holt would be transported to Palomar Hospital, via air ambulance, located at 2185 Citracado Parkway in Escondido.

I met with Deputy Neufeld at the hospital and completed this investigation.

I made all appropriate notifications to both the Emergency Services Lieutenant as well as the on-call Divisional of Inspectional Services Sergeant Stranger.

Photos were taken of Holt's injuries and I conducted an interview with Holt while at the hospital. The photographs of Holt and the audio recording of the interview were copied to a CD-R disc and attached to this investigation. Holt's statement is essentially as follows.

STATEMENT OF HOLT:

Holt said she understood the interview was being recorded.

Holt said she doesn't suffer from any mental illness.

Holt has no problems with his ears or eyes.

Holt said she is not taking any medications. Holt told me she is not taking any street drugs.

I asked Holt if she heard the Sheriff's K9 announcement. Holt said she did hear the warning but she did not comply because, "cops lie."

Holt said the dog was biting her for a long time but she was unable to provide a time estimate.

Holt said she did not know how the dog was taken off of her.

Holt told me she had nothing further to add about the incident.

I concluded my interview of Holt.

CONCLUSION:

Deputy Neufeld was wearing his issued body worn camera (BWC) during the incident. I reviewed the video footage of the incident prior to concluding this investigation. Deputy Neufeld's decision to use his canine was based on the following factors:

Holt was wanted for several felony crimes at the time of her initial arrest.

Holt evaded deputies by fleeing on foot when deputies attempted to take her into custody upon initial contact.

Holt escaped custody by slipping one of her handcuffs off during transport for processing.

Holt had one loose handcuff available to her as weapon.

Holt fled on foot into an area with vegetation that would make it difficult to find her. This gave her a position of advantage if she chose to attack the deputies searching for her.

Holt refused to obey lawful commands to surrender during canine announcements.

The use of the canine **was within policy** and deployed in an appropriate manner.

INJURIES:

Holt had a laceration on her left triceps, rakes, and punctures to her left arm and arm pit area. Holt had a laceration on her head and several scratches on her back. It is believed those injuries were a result of her traveling on foot through the vegetation.

REPORT NARRATIVE

INVESTIGATION:

On 02-26-2018 Deputy Wagner submitted Search Warrant #E2018-173 for approval to seize any and all information from the cell phone which Alice Holt left behind while fleeing from Deputy Logan during the initial contact. The Search Warrant was approved in El Cajon Courts and the phone was given to (b)(5)(B) (b)(5)(B) who is the Rural Crime Intelligence Analyst for examination.

At approximately 1500 hrs. I retrieved the disc which was made by (b)(5)(B) I looked at the 31 pages of text messaging from Alice Holt's phone and noticed there were 618 messages to and from various individuals. I noticed the conversation between Alice Holt and her son (b)(5)(B) started at SMS #258 and ended around SMS#378. A review of these messages indicate Alice Holt was aware she was not supposed to have the vehicle and was depending on her son to let her know the status of when the registered owner was returning home. See messages attached to report for detail. .

	Sent	Sent	Phone	Outgoing	Your daughter is very sick and is on antibiotics the doctor said if she didn't come in when she did she very well could have die. I know you don't care but I do and I am glad she did what she had to. She was going to get a ride from you but you weren't there. Alice is my friend and I told her to do that. 	Read	Inbox	Phone	Incoming	Tell me the truth please
	Sent	Sent	Phone	Outgoing	Right now Alice and I are going to run up to facebook so we can try to find that store and get some money together so that is what I'll be doing in the meantime however after fallbrook we will head back to Escondido and cash out then go home so this is probably going to take us about an hour and hopefully by then u will be back home and everyone will have what they want and be happy.....only problem is that (b)(5)(B) had a doctor appointment she missed so she is pissed.....but can u go back as soon as your done so they stop blowing me up and harassing me. They don't want me or anything anyways they want you so they will be happy once you get there
	Sent	Sent	Phone	Outgoing	Sorry fallbrook not facebook I'm sure u knew what I was saying
	Sent	Sent	Phone	Outgoing	I dropped (b)(5)(B) off at Ds so they could take care of the transaction since it is going to take 20 mins or so to weigh and bag everything I'm running around the corner to the store so I can try to make some money to go towards this front because we still have to pay for it eventually
	Sent	Sent	Phone	Outgoing	Might as well use the time wisely and get started on paying the money back it's almost $400 or somewhere around that I'm not sure the exact amount but I know it ain't cheap

(b)(5)(A)	Sent	Sent	Phone	Outgoing	We are lucky he even did this so don't worry I know you guys are sick and I'm sorry I'm not 100% well myself either I just bought a dime a few hours ago so I'm starting to get sick again as well. But I'm trying to hurry things along as fast as I can so I hope u don't think im lagging on purpose cuz I'm not trust me I wanna come home and curl up in a big blanket in front of the fire place with my kittens and go to sleep
	Sent	Sent	Phone	Outgoing	I'm not ignoring (b)(5)(B) I just don't know if its really you calling

	Sent	Sent	Phone	Outgoing	When u text me I did have the truck Idont now. (b)(5)(B) finished up with everything so he wanted to go back and I went with Alice to get some cash so he will probably be home before me but he did get on the 15 so he is headed home
	Sent	Sent	Phone	Outgoing	Is his phone on now? I called it a few mins ago and it was off
	Read	Inbox	Phone	Incoming	So can you please tell me truthfully the real time you guys should be coming home
